Criteria For Success:

Making more money than all of her friends with degrees.

Being able to retire and travel by age 30.

Needs

- The ability to keep up with her fitness without taking too much time out of her day.
- Having more time to spend with her son.

Values

- Kindness is very important to Brandy, she believes in not judging others before getting to know them.
- Brandy values having a work life balance and strives to keep her personal life and business life separate from each other.

Wants

- A better life for her child than she had growing up.
- Financial security, good health, and to check the majority of the items off of her "bucket-list".

Fears

- That regulators are going to start to scrutinize her industry.
- That her real identity might be exposed
